

M 20 Transition to professional engagements

Internship

In order to prepare the transition into professional engagements students will apprentice with theatres or independent dance groups.

Preparation /Documentation of internship

Students will prepare the internship on their own. A written report of the experience gathered in the internship is required.

Auditions

Students are required to participate in at least six auditions. If one of the five auditions results in an engagement or independent project contract, further audition appointments may be cancelled with the approval of the director.
