What happens next?

Digital preliminary round

Many degree programs have a digital preliminary round for which you must provide videos.

Face-to-face aptitude test

About 3-4 weeks before the presence aptitude test date, you will receive an invitation to the aptitude test.

If you need a visa to enter Germany, this invitation can be presented at the Embassy of the Federal Republic of Germany or a German consulate in your country to apply for a study applicant visa/study preparation visa.

Admission to studies

If you have passed the aptitude test and your documents are complete, the university will decide on the allocation of a study place and inform you whether you will receive a study place. The university reserves the right to require the original presentation of certain documents for enrollment.
